Introduction: Why We Are Here

In an ever-evolving workplace landscape, fostering inclusivity is no longer an option but a necessity. Our upcoming webinar, *Creating an Inclusive, Thriving Workplace in 2025: Key Actions for Employers*, hosted by Equality and Diversity UK, will equip employers with actionable strategies to cultivate a more inclusive and equitable work environment.

Join us on **18th March 2025**, from **10:00 AM to 1:30 PM via Zoom**, as we explore the latest trends, research, and legal updates related to Equality, Diversity, and Inclusion (EDI).

This webinar will inspire you to commit to meaningful actions and provide practical tools to drive positive change.

Aims

- Equip employers with actionable strategies to foster inclusivity and create thriving workplaces in 2025.
- Highlight the latest trends, research, and legal updates related to Equality, Diversity, and Inclusion (EDI).
- Inspire employers to commit to measurable actions that support diverse and equitable organisational cultures.
- Empower attendees to implement effective change by sharing real-world examples and practical tools.

Outcomes:

By the end of the webinar, participants will:

- understand the key principles of fostering inclusivity and creating thriving workplaces.
- be able to identify actionable steps to align organisational practices with the latest EDI trends and compliance requirements.
- gain insights into addressing intersectional challenges, promoting equity, and embedding inclusion into workplace culture.
- leave with a clear action plan to create a measurable, sustainable impact within their organisations.

Content

1. Welcome and Introduction

We will kick off the session by outlining the importance of inclusivity and setting the stage for our key discussions.

2. The Case for Inclusion in 2025

Understanding the current workplace landscape and why inclusivity is critical for business success.

3. Essential Legal Updates and Compliance

A deep dive into recent legal changes and what employers must do to stay compliant with equality regulations.

4. Key Actions for Employers in 2025

Actionable strategies that organisations can implement to foster an inclusive and thriving workplace.

5. Case Studies: Thriving Workplaces in Action

Real-world examples showcasing how organisations have successfully embedded EDI principles.

6. Interactive Action Planning

Participants will collaborate to develop personalised action plans that align with their organisational goals.

7. Q&A Session

An open floor for participants to engage with experts, ask questions, and gain further insights.

8. Closing and Resources

We will wrap up with key takeaways and provide participants with valuable resources to continue their EDI journey.
